## BASEBALL WEEK

Big League Schedules Clogged, and Double-Headers Pile Up.

PIRATES FURNISH FEATURE

They Have Proved to Be Class of Nationals and Now Top List.

New York. April 25.—Rain clogged up the major league schedules the past week and several the games abled in pilling up double-headers. No less than eleven games were postponed because of bad weather—six in the National and five in the American league—while two drawn contests in the younger and one is the older freuit will have to be played of later. In the thirty-seven games that went to a decision in the two leagues, however, considerable progress was made in aligning the clubs in accordance with their playing strength. Outstanding features in the week's play were the brilliant work of the Fittsburgh club, which climbed to the top of the National League standing, and the spurt of the Detroits in a fire with Chicago for the American League standing, and the spurt of the Detroits in a fire with Chicago for the American League standings amen on Thusday, and were checked only when St. Louis on Friday found Barmon's offerlings. Much Jennings's men met their first reverse of the week on the same day, but it was necessary for the Browns to go twelve to way have not yet been productive of marke, success in either case. The world's champions won their first victories of the scases in Boston on Tuesday, but were played to a tishdetill by the field box, and dropped a tame to Frank thance a New Yorks before winning their first home batte.

Ten years ago roll roofing was a high priced specialty. Today it is a staple at a reasonable price. And Certain-teed Roofing made it so.

Ten years ago manufacturers and roofing dealers both thought that they had to have an exaggerated profit on roll roofing-because so little of it was sold. Certain-teed Roofing, by modern manufacturing methods and by modern selling methods, rendered a tremendous service to roofing us rs and to roofing dealers by establishing a reasonable price basis for better roofing than had ever before been produced-and a reasonable profit for dealers on a bigger volume of business than had ever before come their way.

7,000,000 readers of daily newspapers the merits of Certain-teed Roofing—this is raw materials—and we advertise everyservice to prospective roofing buyers in pointing the way to roofing that is backed to sell our roofing. by a fifteen-year guarantee.

Certain-teed Roofing is sold at a reasonable price everywhere by dealers who be-lieve in giving unsurpassed quality at a fair profit. The amount of <u>Certain-teed</u> Roofing required for an average roof, say ten mail order grade. This small initial cost is saved many times in the fifteen years' wear which is covered by the manufacturer's guarantee.

We are also advertising in farm papers, and foreign language newspapers, reaching people who may not read the daily newspapers.

On Monday mornings we are telling This is our idea of service. We have the where, because that is the cheapest way

> We share the savings of our enormous volume with you who use roofing. We en-courage jobbers and dealers to follow our example and sell on small margins and depend upon the large volume of business which is certain to result from the best service to users of roofing.

> That building of yours which requires a roof—whether it's a factory warchouse, business block, farm building, residence or any other structure—whether it's new or old—your first thought would be roll roofing, because <u>Certain-teed</u> has put roll roofing asily within your consideration from a price standpoint. It has done more than that-It has put Certain-
